- Velocity Frequent Flyer members will earn double status credits on all eligible Virgin Australia bookings from today until midnight AEST Tuesday 10 August 2021*
- The double status credit offer will give members the opportunity to accelerate their earning opportunities

Monday 2 August 2021: Velocity Frequent Flyer is giving members double status credits on eligible Virgin Australia bookings from today until midnight Tuesday 10 August 2021 for travel to 28 June 2022.

The generous offer follows a survey of the loyalty program's 10 million members, which found they wanted more ways to earn status credits in order to continue enjoying member benefits.

Comments from a Virgin Australia Group spokesperson

“Our members asked for more ways to retain their membership level and we’ve listened,” they said.

“We’re excited to provide this fantastic opportunity for members to accelerate their status credit balance when they book an eligible Virgin Australia airfare by midnight next Tuesday.

?We've demonstrated our commitment to members many times throughout the pandemic and double status credits is another example that loyalty goes both ways.

?By giving our members twice as many status credits on their next booking, they'll have even more chances to retain and even increase their membership tier, knowing there's more travel opportunities on the horizon.

?Velocity members have been the anchor of Virgin Australia for many years and we look forward to continuing to give our members even more reasons to fly with us,? they said.

To earn double status credits, Velocity members simply need to activate the offer [here](#) [3] and book an eligible flight at virginaustralia.com [4].
