With domestic and international travel on the horizon, Velocity Frequent Flyer and Flybuys have today launched a promotion for Velocity members to win over 100 Points prizes which will see two lucky members become Flybuys and Velocity Points millionaires.

Commentary from a Virgin Australia Group spokesperson

?We're excited to get Australians back in the air and bringing back the joy of travel, and this competition gives Velocity members the opportunity to increase their Points balance by up to a million points, ready to use when the skies re-open,? they said.

?We are always focused on providing our members value by delivering some fantastic rewards as well as continually looking at how we can bring new and engaging benefits to our members. The multi-million Points prizes up-for-grabs in this competition is a great example of that.?

?Having recently announced our Status extension for Platinum, Gold and Silver members, this is just another way we are thanking loyal members and giving them every opportunity to increase their Points balance to fly faster.?

?To enter, Velocity members simply need to transfer Flybuys points to their Velocity account. For every 1,000 Flybuys Points transferred to Velocity, a member will gain an entry into the competition and members who turn on Auto Transfer will receive 3 entries per transfer. The more Flybuys points a member transfers, the closer they will be to becoming a Velocity or Flybuys Points millionaire,? they said.

To enter, Velocity members simply need to:

Join Flybuys or have an existing Flybuys account and ensure it is linked to their Velocity account.

Transfer 1,000 Flybuys Points to their Velocity account to enter the draw.

Members can receive three additional entries into the draw by turning on Auto Transfer between their Flybuys and Velocity account, with additional entries awarded for each 1,000 Flybuys points transferred to Velocity.

Prizes up for grabs:

- 1 x 1 million Velocity Frequent Flyer Points & 1 million Flybuys Points;
- 50 x 10,000 Velocity Points
- 50 x 10,000 Flybuys Points
